

First Street and Joseph Street Alley #8 Repaving

**Project
Description:**

The City of Rockville will be reconstructing the alley behind/adjacent to your home on Tuesday, Sept. 16 and Wednesday, Sept. 17. In the event of rain, the work will take place on Thursday, Sept. 18. Access to parking at the rear of your property will be affected, but will not be completely restricted.

The work will be performed between 7 a.m. and 4 p.m. The contractor will remove the old material and place new material so that the alley is fully accessible at the end of each work day. There will be times during the work day that the alley is not accessible, making it necessary to park on an adjacent street during working hours. We apologize for any inconvenience.

Purpose:

To repave the alley.

Location:

The alley between Joseph Street and First Street.

Timeline:

Construction will take place on Tuesday, Sept. 16 and Wednesday, Sept. 17. In the event of rain, the work will take place on Thursday, Sept. 18.
